

Kits

AC P/N	Approved Replacement For	Eligibility
646492A1AC Kit Alternator DriveEnd 	Teledyne Continental Motors Part No. 646492A1 as used in TCM alternators: 642055, 24V60A 646490, 24V60A 646843, 24V60A	Teledyne Continental Motors IO-520, IO-550, TSIO-520, TSIO-550, and GTSIO-520 with gear driven alternators
646495A1AC Kit Alternator Drive End	Teledyne Continental Motors Part No. 646495A1 as used in TCM alternators: 642056, 24V100A 646491, 24V100A 649304, 24V100A	Teledyne Continental Motors IO-520, IO-550, TSIO-520, TSIO-550, and GTSIO-520 with gear driven alternators

Brushes

AC P/N	Approved Replacement For	Eligibility
646848-1AC Brush Assembly 	Teledyne Continental Motors Part No. 646848-1 as used in TCM alternators: 642055, 24V60A 646490, 24V60A 646843, 24V60A	Teledyne Continental Motors IO-520, IO-550, TSIO-520, TSIO-550, and GTSIO-520 with gear driven alternators
646853AC Brush Assembly 	Teledyne Continental Motors Part No. 646853 as used in TCM alternators: 642056, 24V100A 646491, 24V100A 649304, 24V100A	Teledyne Continental Motors IO-520, IO-550, TSIO-520, TSIO-550, and GTSIO-520 with gear driven alternators

AC Delivers

Not only do we deliver the product but we offer services and support you will find no where else. We offer specialized component overhauling utilizing our numerous process specifications. Additionally, we have technical support with an extensive knowledge of the parts, overhauling and the demands of the aviation industry.

AC is committed to producing high quality parts and maintaining a readily available inventory so that accessory overhaul and repair will not be hindered by a lack of quality or quantity. When available, AC utilizes the original manufacturers and the leading industry providers for parts they sell. Additionally, incoming parts are scrutinized for their key and critical characteristics and are fully inspected for quality assurance. This ensures our customers will receive parts that fit and function to specification.

AC is also committed to expanding the line of replacement parts at competitive prices to make your business more profitable. We are a solution minded company that delivers superior value to you, your customers and your bottom line.
